

# **ASN Senior Secondary School**

**MAYUR VIHAR-I**

*Hurrah! Summer Holidays are here again.*

*A great time to bond with family, visit exotic places, celebrate with friends enjoying - lots of fun and frolic moments. Along with rejuvenation, we at ASN believe in involving students in the activation of their spirit of creativity and their zeal of exploration*

*This year's theme for the Summer Vacation Project is – ‘Vishwa Guru Ho Rastra Punah’*

*Being one of the ancient civilisations and knowledge centres in the world, our Nation, India has a history of thousand years. It has been the Vishwa Guru of the world for centuries. India was known for its grandeur and Glorious past- socially, culturally, intellectually and politically. The greatness, identity, wealth, experience, knowledge of our Nation is incomparable to any nation.*

*So, let's help our children to explore India's grandeur and glory of those days when it was rightly called 'The Golden Bird!' Thus in this enriching process, through a well-designed Holiday Homework which makes them come closer to the mission of making India – The Vishwa Guru once again. Let's us be the wind beneath their wings!*

**Have a fun filled vacation!!**

**Sushma Kalia**  
**Middle Wing Coordinator**

Dear Students

- ✚ **'Discipline is the bridge between goals and accomplishment'**. Set a timetable and utilize your time to the utmost by balancing your activities like studies, play time, watching TV and other activities which you undertake.
- ✚ **'Bonding is the most important value to be nurtured'**. Spend quality time with your family and friends. Organize a party for your friends at your home. Be the **Manager** and **Chef** of your party. Make a dish of your choice and share your delicacy with your friends.
- ✚ **'Reading is dreaming with open eyes'**. Read atleast five new books in English and Hindi each. Write a book review for an English and a Hindi story book. Share your joy of reading with your language teachers and class mates after the holidays. **Cues for Book Review** (The character, incident you liked the most or any inspiring, funny or an adventures moment.)
- ✚ **Learn atleast one new activity**. It could be an instrument, sport, art, music, dance, language or any other thing of your interest which you wish to learn.
- ✚ **17<sup>th</sup> June is "Father's Day"**. Make it special for your father and surprise him in a thoughtful manner.
- ✚ **'Yoga for Fitness, Peace and Harmony'**. **International Yoga Day** is on 21<sup>st</sup> June. Learn five simple **asanas** and practice them with your family and friends. Click pictures and share it with your class teacher. These pictures will be shared on the school website.
- ✚ **'India - The Nation of rich Heritage'**. Explore your city / various states of India by visiting the historical landmarks and enjoy the cultural diversity of your Nation.

**NOTE-** Parent is also requested to see whether their ward's work is complete in note book. Assessment of the note book will be done immediately after the school reopen.

MAYUR VIHAR-I

SUMMER VACATION HOLIDAY HOMEWORK

(2018-19)

CLASS VI-G

---

*Theme – “Vishwa Guru Ho Rashtra Punah”*

TOPIC– “REFLECTION OF BELIEVES & PRINCIPLES”

---

## **Introduction:**

The uniqueness of Indian culture lies in its strong social system and family values. The elders are considered the driving force and so, are respected and loved. The guests are considered as Gods and are treated with respect and loved, even if by foregoing some of the personal pleasures.

Earlier, Ethical decision making and ethical behavior involved being prepared to take account of the wellbeing of others. In other words, they required making decisions based on values and standards that go beyond self-interest.

Here are some activities for the students to develop and revive the values and principles that underpin ethical thinking and decision making.

### **1) Activity 1:FLIP CHART**

Make a **Flip - Chart** depicting any one mythological story in brief.

### **2) Activity 2:BANNER MAKING**

Make a **banner** reflecting a meaningful message / preaching from 'The Gita '

### **3) Activity 3:FACT FILE**

Teach at least one under - privileged person in your surroundings.

Prepare a **FACT - FILE** showing the work done by him or her along with your photographs teaching him / her.

#### **4) Activity 4: CARD MAKING**

Spend time with your grandparents and listen to their childhood stories.

Show them your love through **beautiful cards / calendars / photo -frames** highlighting some lovely and inspiring messages written for them.

#### **5) Activity 5: SLAM BOOK**

Be a courteous and polite child. Try to help the needy and deprived people around you.

Record their opinions about you and your gestures in a **Slam - Book**. Make sure to have, at least 10 such views but not from your family members.

### **HINDI**

‘भारत को पुनः विश्व गुरु’ बनाने में वैज्ञानिकों ने महत्त्वपूर्ण भूमिका अदा की। वैज्ञानिक आविष्कारों के नाम पर किसी एक को आधार बनाकर एक पहेली की चित्र सहित **A3** साइज रंगीन सीट पर रचना कीजिए। (कक्षा-6 जी रोल न0 1- अंतिम)

### **GERMAN**

#### **Activity 1: Making of dictionary**

Make a small German dictionary using the Articles learned in the class.

- Roll No. (1-10) (A-E)
- Roll No. (11-20) (F-K)
- Roll No. (21-33) (L-S)

#### **Activity 2: Collection of Logos**

Collect the logos of German brand and paste them beautifully in an album.

#### **Activity 3: Collage making**

Collect five amazing facts about Germany and make a creative collage with the same.

## SUBJECT : MATHS

---

Q1) Do as directed:

- (a) Find the product of the largest 4-digit number and the smallest 2-digit number.
- (b) Find the difference between the place values of the two 3s in the number 3,21,77,352.
- (c) Solve  $\text{XCIV} + \text{VII}$  and write the answer in Roman numeral.
- (d) Write 39865317 in words according to the Indian and International system of numeration.
- (e) Estimate the sum of 15,968 and 1234 to the nearest thousand.

Q2) Write the largest and smallest numbers using each of the digits 1, 4, 6, 8, 0 only once and find their difference.

Q3) Determine the following products by suitable rearrangements:

- (a)  $4 \times 927 \times 25$
- (b)  $8 \times 125 \times 40 \times 25$

Q4) Find the value:

- (a)  $8759 \times 94 + 8759 \times 6$
- (b)  $7459 \times 999 + 7459$
- (c)  $9670 \times 561 - 9670 \times 461$

Q5) Find the product using distributive property:

- (a)  $245 \times 1008$
- (b)  $4721 \times 125$

Q6) Estimate by rounding off each number to its greatest place:

- (a)  $3987 \times 74$
- (b)  $27495 - 3426$

Q7) Use the figure to name the following:

- (a) Line containing point O
- (b) Line passing through A

- (c) Line on which point B lies.
- (d) Two pairs of intersecting lines.

Q8) Draw a rough sketch of a quadrilateral PQRS and state,

- (a) Two pairs of opposite sides.
- (b) Two pairs of opposite angles.
- (c) Two pairs of adjacent sides. And
- (d) Two pairs of adjacent angles.

Q9) Draw any circle and mark the following:

- (a) Its centre, (b) a radius, (c) a diameter, (d) a sector, (e) a segment, (f) an arc, (g) a point in the interior and (h) a point in the exterior

Q10) (a) Identify three triangles in the figure given alongside

- (b) Write the names of six line segments.
- (c) Write the names of seven angles.

Q11) The sum of two numbers is 9875467. If one of them is 789879, what is the other number?

Q12) If a box of chocolates costs Rs 95 and a packet of biscuits costs Rs 25, what is the total cost for 120 boxes of chocolates and 300 packets of biscuits?

Q13) Rice bags each weighing 4 kg 500 g are loaded in a van. How many such bags can be loaded in a van which carries only 900 kg?

Q14) Find the number, which when divided by 106 gives 12 as quotient and 5 as remainder.

Q15) A family used 54 litres of milk in the month of April and 46 litres of milk in the month of May. If milk costs rs 35 a litre, what is the amount paid for milk for both the month.

Q16) How much money was collected from 285 students of a school for a charity show if each student contributed Rs 1250?

Q17) A machine manufactures 3875 screws a day. How many screws did it produce in the month of March?

Q18) A man had Rs 9,87,545 with him. He gave Rs 85,650 to his daughter, Rs 46,975 to his son and the rest to his wife. How much money was received by his wife?

Q19) New Tables and chairs are required for a class of 50 students. A table costs Rs 180 and a chair costs Rs 220, find the total cost of the tables and chairs

## SUBJECT : SCIENCE

---
