

# *Prayer*

Oh! Lord! Our great father!  
We bow thee for thy benevolence  
In all our obeisance,  
We thank you for the light of  
guidance  
That led us swim across the  
Shore of success, in spite of  
The mundane ordeals  
We submit at thy feet,  
For the blessings to face  
What may come with will  
And fortitude.  
Teach us to be humble at success  
Be not proud, love our  
Fellow men, truthful to self  
Help us to be complacent  
At the weak moments, give us  
The courage to start the term  
And to be your eternally loving  
Obedient children!  
Thank thee my holiness!
