Class 12 Commerce

## HOLIDAY HOMEWORK

---

### ENGLISH

Read the novel **THE INVISIBLE MAN** and attempt the assignment covering 1-10 chapters in Literature notebook:

1. H.G. Wells has called Mrs .Hall’s guest ‘A Strange Man’ in the first chapter . Do you agree?
2. What explanation did the stranger give Mrs. Hall for coming to Iping and confining to a dark room?
3. Describe the meeting of Teddy Henfrey with the stranger. What seeds of suspicion did he sow in Mr. Hall's mind about the guest?
4. Describe the incident when the stranger was bitten by Fearenside's dog. What was the conclusion drawn about the stranger after this?
5. Why was Cuss so keen to see the stranger? Describe his encounter with the stranger.
6. Do you find the burglary at the vicarage humorous? What traits of the Buntings’ character impress you?
7. Discuss with reference to the furniture hurling episode when the Halls examine his room presuming him to be absent.
8. Mr. Bobby Jaffers, the village constable was a brave man. Discuss in light of the episode when he arrived at the inn.
9. Describe in detail the circumstances that led to the unveiling of the stranger?
10. Describe Thomas Marvel’s first meeting with the Invisible Man.
11. What was the purpose of Mr. Marvel’s visit to the “Coach and Horses”?
12. Compare and contrast the character of Mr. and Mrs. Hall.

## ECONOMICS

1. Define Micro Economics.
2. Give two examples of micro economic studies.
3. What is meant by an economic problem?
4. State the two characteristics of resources.
5. What is the problem of resource allocation?
6. Explain how scarcity and choice go together.
7. Explain the central problems with the help of production possibility curve.
8. Differentiate between marginal opportunity costs and opportunity costs.
9. Why does marginal opportunity cost tend to rise?
10. When can production possibility curve be a straight line?
11. What does slope of PP curve show?
12. Does production possibility frontier indicate the actual level of output or potential level of output?
13. Why is AC curve of U-shaped?
14. What is the area under MC curve called?
15. State true or false and give reasons-
  - The difference between AC and AVC curves tend to increase at higher level of outputs.
  - Average costs falls only when marginal costs fall.
  - Average variable cost can fall even when marginal cost is rising.
  - Should the difference between ATC and AVC be constant because TFC is constant.
  - AS soon as marginal costs starts rising, average variable cost also starts rising
16. State true or false and give reasons-
  - When there are diminishing returns to a factor, total product always decreases.
  - Total product will always only when marginal product increases.
  - Increase in total product always indicates that there are increasing returns to a factor.
  - When there are diminishing returns to a factor, marginal product and total product both always fall.
  - When marginal product falls, average product will also fall.

- Under diminishing returns to a factor. Total product continues to increase till marginal product reaches zero.
- Total product always increases whether there is increasing returns or diminishing returns to a factor.

17. Explain the kinds of elasticity of supply with table and diagrams.

18. Explain the causes of shifting of demand curve to the right.

19. Differentiate between expansion in demand and increase in demand.

20. As per CBSE guidelines it requires all Class XII students to make a project file for Economics subject. Following essentials are required to be fulfilled in the project.

Explanation of the concept:

- Meaning and definition
- Application of the concept
- Diagrammatic explanation (if any)
- Numerical explanation related to the concept (if any)
- Students' views/perception/opinion and learning from the topic

S.No	Heading	Marks allotted
1	Relevance of the topic	3
2	Knowledge content/Research work	6
3	Presentation Technique	3
4	Viva	8
	<b>Total</b>	<b>20</b>

### Suggested topics from the Syllabus:

- |                                  |                                 |
|----------------------------------|---------------------------------|
| -Price Determination             | -Price Discrimination           |
| -Opportunity cost                | -Production Possibility curve   |
| -Demand and its determinants     | -Supply and its determinants    |
| -Production- Returns to a factor | -Oligopoly                      |
| -Monopoly                        | -Monopolistic competition       |
| -Money Multiplier                | -Central Bank and its Functions |
| -Govt. Budget and its components | -Budget deficit                 |
| -Exchange rate systems           | -Foreign exchange markets       |
| -Balance of payments             | -Any other topic                |

### Suggestive List:

1. Micro and small scale industries
2. Food supply channel in India
3. Contemporary employment situation in India
4. Disinvestment policy

5. Health expenditure of any state
6. Goods and services tax Act
7. Inclusive growth strategy
8. Human development index
9. Self help groups
10. Any other topic

## **BUSINESS STUDIES**

The project on FINANCIAL MARKETS.

All the students of XII have to record Prices of the shares of twenty companies and plot on a graph all the four prices recorded for 15 days

Complete the Project on MARKETING.

Pl donat spiral bind the project untill approved by me.

Revise the lessons and solve the questions given in the assingments.

Submission after the vacation when the school reopens.

## **Home Science**

Prepare a report on the following activities

1) Human Development: Life Span Approach (Part II)

Activities

Identify the problems of adjustment of adolescents with the help of a tool (group activity) and make a report.

Spend a day with an aged person and observe the needs and problems. Write a report.

List and discuss at least 4 areas of agreement and disagreement of self with:-

- a) Mother b) Father
- c) Siblings d) Friends
- e) Teacher

Prepare a Project File

Community Development and Extension

Visit any two places (home/restaurant/school/business centre, etc.) and observe its measure for safe drinking water and general conditions of hygiene around it.

Complete the file as per directions given in class.

## **INFORMATICS PRACTICES**

Develop a GUI Project according to the groups allocated.

The project should be an application in any one of the domains – e-Governance, e-Business and e-Learning - with GUI Java front-end and corresponding database in MySQL at the back-end.

Create Proper Forms in Java with the use of connectivity in MySQL

PUT VALIDATIONS IN YOUR PROJECT ACCORDING TO THE REQUIREMENT.

## **ACCOUNTANCY**

1. Project Work Comprehensive Must Include

Journal

Ledger

Trial Balance

Trading Account

Profit And Loss Account

Balance Sheet

2. Specific Project

Ratio Analysis Statement

Profitability Ratio

Solvency Ratio

Turn Over Ratio

Activity Ratio

Cash flow Statement Of A Company

## **PHYSICAL EDUCATION**

1- CHAPTER IV – PHYSICAL EDUCATION AND SPORTS FOR DIFFERENTLY ABLED.

(I) Concept of disability and Disorder.

(ii) Types, causes and intellectual disability.

(iii) Disability Etiquette.

(iv) Physical activities for children with special needs.

(v) Strategies to make physical activities accessible for children.

2- CHAPTER- V- CHILDREN AND SPORTS:

(i) Exercises for different stages of growth and development.

(ii) Weight Training.

(iii) Correct and Bed posture.

(iv) Postural deformities.

(v) Corrective measures for postural deformities.

Define and explain the above mentioned topics in Physical Education Notebooks
