

ASN International School

Children's Day Celebration

14th November 2018

ASN would like to thank the parents whole heartedly for sharing their dreams in the bottle on this Children's Day and for sharing their memorable pictures, blessings in the form of poems , quotes and many more which all intrigued us. 'Thank You' is actually the least we can say to you to show our appreciation for everything you have done to make this day a special day, actually dedicated to the children.

Thank you once again for giving your time out of the busy schedule to let the children smile and feel special what you feel for them.
