

# ASN International School

Dear Parent,

Thank you so much for your benign presence in making our first initiative the '**Polar Fiesta**' which was held on Saturday, 22 December'18 a grand success.

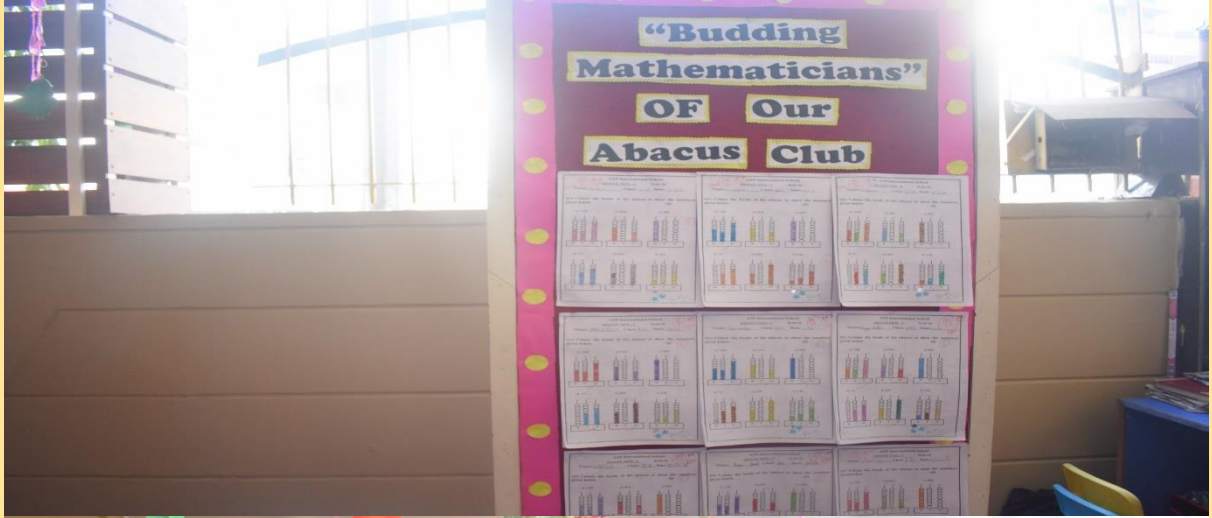

This motivation has really boosted our young student's morale and are highly charged up to organise many more such events that are for a good cause. Your appreciation, cooperation and positivity is a great source of encouragement to our students and staff of the ASN family.

Looking forward as always for your support.

Warm Regards  
Shivani Khanna  
Headmistress
