Summer Fun Activities

Class: 2

Session : 2022-23

Summer is a time to relax, be productive and to get ahead. As important as it is to rest and enjoy, it is also important to continue to learn. You can spend your time as you wish but make sure that along with enjoying and relaxing make this summer a time to learn new things, exploring the opportunities available.

To enhance your learning, we have planned activities to keep your skills sharp and concepts clear. Use your energy and give a vent to your creativity. It will surely enhance your learning process.

Let's Start ...

Help mother in laying the table and cleaning it.

Take two old cups or bowls, fill one with water and other with seeds everyday and keep it outside for birds to drink and eat.

Switch off lights and fans when not in use.

Remember and use magic words – Please, Thank you, Sorry. Use them in your daily routine.

To keep you and your family members fit it's important to do yoga daily.

We celebrate YOGA DAY on 21st June so on that day all the family members should do yoga and bring the pics and videos when the school will re-open.

Math
ACTIVITY TIME
1. DRAW A FLOWER

Materials:

Paper, Scissors, Tape, Pencil, Markers, Crayons

a. Students are supposed to make the flower for the multiplication table of

2, 3, 5 and 10.

b. Cut two flowers of different size (for 1 table). You need to cut 8 flowers for 4 tables.

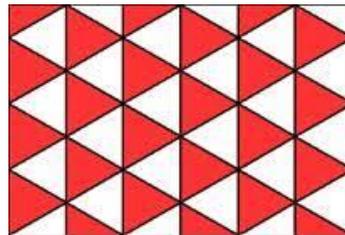

c. Write the table of 2, 3, 5 and 10 on the flowers as shown in the picture.

a. One picture has been attached for your reference.

b. Parents are advised to help the students in cutting part.

DO THIS IN YOUR SCRAPBOOK.

2. DRAW A TESSELLATION

A tessellation is an arrangement of shapes in a repeated pattern, where they are placed closely together without any gaps.

Materials:

Paper, Eraser, Pencil, Markers, Crayons

a. Start with a piece of paper and a pencil.

b. Divide the paper up into equal width rows (or columns); about 3-4 rows for a small sheet will work very well.

c. In one row, draw a simple shape that spans the entire height of the row

(see image above), such as a square, triangle, a lopsided rectangle (parallelogram), or other shape of your choice. Draw that shape again immediately next to your first shape. Do they fit together perfectly? What if you draw a third shape immediately next to the second shape?

Do they still fit together perfectly?

- If your shapes are fitting together perfectly, keep drawing them in each row until your entire sheet is filled up.
- Colour in your tessellation and paste it in your scrap book.
