

## **ASN International School**

Dear Parent,

Date : 02.11.2018

### **“Children are Our Lifeline”**

Let's Celebrate Our Children Each Day. We are writing to ask you to become a partner with us in making this year's **Children's Day** special for them.

We want You to make a small contribution which will make this special day a memorable one for them and will surely last a lifetime.

Please share us a special memory, feeling or moment of yours with your child. It could be a rare photograph of yours / grandparents / family / friends or any trip with your child. Tag it with a message / a poem or simply your emotions penned down on a pastel A4 sheet.

Kindly put in the envelope, seal it and send it with your ward for the class teacher by **Monday, 12.11.2018.**

Remember it's a SURPRISE for them and it will be shared and displayed in class on **Wednesday, 14.11.2018.**

Feel free to call for any clarification at the school reception.

Warm Regards  
Shivani Khanna  
Headmistress
