School Profile

ASN Senior Secondary School was founded by an eminent and dedicated educationist Shri K.L. Luthra with a clear vision, **“To have an intellectually possessed an amiable society, spreading the light of education all over the World, moulding every individual environmentally conscious, socially endowed, making the planet ‘Earth’ worthy for living”**, a strong mission **“To create an awareness to evolve environmentally and socially the pristine World through well devised curriculum, excellent infrastructure, innovative teaching learning practices with an entrepreneurial dimension”** with motto **“Faith & Follow; Act & Achieve; Serve & Smile”** and a relentless drive to serve the society in the field of education. **The desire to serve in a novel way led to the merger of the modern concepts with Indian culture.** His boundless zeal and untiring efforts along with the dedication of teachers helped the Schools to grow in leaps and bounds to its present status.

ASN School, since its inception in 1975, has an aim to sensitize the students on the cardinal issues such as peaceful coexistence, respect for cultural heritage and appreciation for environment sustainability. The School strongly believes that every child is unique and every child matters for the sustainable, universal family-hood and works to create culturally developed, responsible and conscientious **global citizens.**

The School is situated in the prime location of East Delhi, spreading over an area of 3.5 acres with beautifully landscaped green spaces, lawns, majestic trees and flowerbeds inducing a feeling of tranquillity. The grand four storeyed red stone building is an example of fine architecture and elegance with a well-knit infrastructure which includes fully air conditioned Pre-Primary, digitalized class rooms throughout the School, Hi-tech Conference Hall, well equipped Laboratories, Library, Resource Centre, 2200 seating capacity Amphitheatre with latest sound system, Heritage Park, Saraswati Mandir, Music room, Medical room, playgrounds and courts for different sports. The School is under 24 hours CCTV surveillance for the safety and security of the students.

ASN believes in promoting sports at school level with the philosophy, **‘Catch them young, if not at six never at sixteen’**. To enhance the spirit for sports, a **Sports Complex meeting international standards** has been provided for **games like Tennis, Football, Basketball, Volleyball, Cricket, Table Tennis, Judo, Taekwondo, a Skating Rink and Indoor Badminton Court** where the students play under the guidance of expert coaches. **Self Defence classes for girls** are being conducted to make them bold and, fearless, confident and equip them to deal efficiently with any unforeseen eventuality. **ASNites bring laurels at Zonal, State & National levels.** It also provides opportunities to participate in the International Sports arena. The **students of ASN** represented India in **Tokyo, Bangkok, Indonesia Sports Exchange Programme.** ASNities also participated in **International Children’s Games held at Lanarkshire, Scotland.** Since 2003, the School has been organizing **ASN DELHI STATE INTER SCHOOL BADMINTON TOURNAMENT** every year. **The winners of the 8 categories are awarded pure gold medals & the champion team earns the rolling trophy.**

Every year the school organizes **‘ASN YAMUNA WEALTH INTER SCHOOL GAMES & CULTURAL FEST’** with the mission to sensitize people from various walks of life on social issues like Gender Discrimination, Female Foeticide, Save Rivers, Conserve our Cultural Heritage, Environment Sustainability, National Integration and Global Peace etc.

The **life skills activities** are incorporated through the **various clubs** namely **Health & Wellness, Dramatics, Literary, Astronomy, Robotics, Heritage, Interact, Yoga & Meditation, Performing Arts, Art & Craft** etc. **The School is a lead Eco-Club School under Ministry of Environment and Forest** and has also received the '**Green Leaf**' award, the **top ranking in Green School Programmes** conferred by Centre for Science & Environment. **Through Disaster Management Club**, every year the school conducts **Mock drill & First Aid programmes** to prepare the students for disaster management. **The school has been awarded for the Best School Safety Plan by NIDM.**

The Community Service Club of the School involves the whole school in varied activities to develop civic and social responsibility. **The School has adopted Yamuna Khaddar village** in the School vicinity where ASNites conduct various community service programmes like Hygiene drive, Medical Check-up Camps, Best out of waste workshops, Distribution of Sanitation Kits etc. **The Road Safety Club under the aegis of Delhi Traffic Police Road Safety Club** conducts various In-house and Outside School activities.

Internationalism and Global Citizenship have been embedded in the School Curriculum through many **International projects** which have been initiated in collaboration with various International Organisations like **Korean Cultural Centre, South Korea, Goethe Institute, Climate Reality Project, USA, National Cyber Security Alliance, USA, British Council, SGI and the Earth Charter and Kennedy Space Centre, USA.** The School is a **recipient of International School Award 2013-16** awarded by British Council.

In addition to their excellence in extracurricular activities, ASNites excel in academics also. The School has been producing **commendable Board results.** The School boasts of an impressive **Alumni record** with **prestigious placements** of the students in various parts of the country and abroad.

ASN School has earned laurels and a good reputation for its ideals and standard of education.

Introduction

ASN believes that Hygiene, Health and Cleanliness deal with both hardware and software aspects needed to bring about changes in hygiene behaviour of students and through these students, in the community at large. The hardware is the total package of sanitary conditions and facilities available in and around the school compound. The software is the activities aiming to promote conditions at school and practices of school staff and children that help to create a clean and healthy environment.

The Schools having a central place in the community after the family, are the most important places of learning and provide a stimulating learning environment initiating positive and desired behavioural change in the students. They play a major role in influencing communities by involving the students in outreach projects.

To achieve and maintain a sustainable hygiene behaviour in students, the school, through its Life skills Club, Community Service Club, Eco Club and Health and Wellness Club works on three basic fundamental factors:

- **Predisposing factors - knowledge, attitude and belief;**
- **Enabling factors - availability of resources like WC facilities and safe water supply, enabling students to transform newly acquired knowledge, attitudes and beliefs into desirable behaviours;**
- **Reinforcing factors - factors affecting the students' ability to sustain certain behaviour, like support and cooperation received from parents, guardians and peer groups.**

We consider children as agents of change. By focusing on school aged children, giving them tools and knowledge to change behaviours today, we believe that the future generations will be better prepared to take care of their families and communities' health and ensure a clean, green environment.

This report is the compilation of work done by the school since the inception of Swachh Bharat Campaign in 2014. It is divided into two major sections (a) School Culture and Practices (b) School Initiative & Collaborations

(a) School Culture & Practices

It speaks of the software mentioned above, which includes **general routine practices** and **multidimensional activities** well integrated in the academic planner of the school for their smooth execution like:

- **Hygiene & Sanitation Drive** across school
- **Co-scholastic** activities like recitation, nukkad natak, poetry, slogan and essay writing, poster making, best out of waste competition
- **Constitution of Sanitation Squads** of students
- **Special Assemblies** on themes related to health, hygiene and cleanliness
- **Sports, Yoga and Meditation classes** for all
- **Sustainable School with Ignited Minds - ASN Eco Club works to inculcate** core values of environment and sustainability through multifarious activities like awareness campaigns involving field trips, rallies, workshops, plantation drive, converting waste into resource using Roll-polly, Mulchy-bulchy, Celebration of International Days like Earth day, World Wildlife day, Ozone day, Earth Hour, Conducting Cultural and literal activities on environmental theme and Special assemblies etc.

The hardware aspect of the tripartite pact for student wellbeing involving health, hygiene and cleanliness deals with a right school environment, sanitary facilities and conditions provided. For example -

- **Information boards (Flex)** displayed in all toilets and drinking water points to highlight the importance of general hygiene.
- **Provision of R.O. drinking water** through a treatment plant installed in school supplying 1000 litres of purified water every hour.
- **Use of green and blue coloured dustbins** in each classroom, cafeteria and prominent areas in the school premises for collection of bio-degradable and non-bio-degradable waste.

(b) School Initiative & Collaborations

With the belief 'Service to humanity is the service to Nation', ASN involves the whole school in varied activities to develop civic and social responsibility skills. Keeping in mind the multiple needs of the community, the projects chosen are given the dimensions like health, hygiene, cleanliness, sustainability, literacy, numeracy, creativity, need for sharing and caring.

1. **Adoption of Yamuna Khadar Village (initiated in year 2013)** – Under this project, the community club of ASN has undertaken many activities at Yamuna Khadar Village like **Distribution of cleanliness articles, first aid medicines and cleanliness drive by the students**, workshops on **personal hygiene, environmental cleanliness and communicable diseases, free eye and health checkups** for village residents in association with **Rotary Club**, organized **art & craft and best out of waste workshops for children**, and conducted **tutorial and self-defense classes** for the children. A Documentary was shown and a street play was organized to sensitize the residents of Yamuna Khadar village on the prevention of seasonal diseases like dengue, typhoid and malaria.
2. **Joy of Giving - Community club** organizes this drive to collect first aid medicines, sanitation kits, art & craft items, books, clothes, toys, stationery items donated by the students for underprivileged sections of the society.
3. **Health and Wellness Club** with the motto '**Prevention is better than cure**' organizes free health checkups and Blood Donation camps every year.
4. **CBSE Expression Series** – ASNites participated enthusiastically in varied activities like poster making, essay and poem writing competitions organized across different levels on the theme Swachh Bharat and pledge undertaking in the school as a part of **CBSE Expression Series**.
5. **Swachh Vidyalaya Swasth Vidyalaya** - Activities undertaken are **Cleanliness drive (Shram Daan), rallies, ASN Swachhta Campaign, pledge undertaking** by students within the school premises.
6. **Parent Connect Programme** - Involving parents in Swachhta Activities like **Essay writing and poster making competitions, inviting parent doctors for talk shows, their contribution of sanitation material for distribution of sanitation kits at Yamuna Khadar**.
7. **Students as Stakeholders for Community Awareness** – The activities undertaken are
 - **Cleanliness drive outside the school, rallies, ASN Swachhta campaign, pamphlet distribution and pledge undertaking** by students in their neighbourhood.
 - As a part of **Microsoft Create to Inspire Programme**, students of Eco club from classes IX to XII surveyed the neighbourhood areas of Mayur Vihar Phase I periodically and located the unclear

garbage dumps and filed a petition to the Chairman, MCD North Zone and submitted the same to her in a face-to-face interaction.

8. **ASNites** also participated in **“All India Pledge”** for the Swachh Bharat Mission in collaboration with **For Young India** organization to make India a cleaner, happier place.
9. **Teachers’ Community Outreach Programme** – Teachers along with students went door to door to spread the message of Cleanliness and sensitized people from various walks of life for the same.
10. **ASN Eco club with the belief ‘making bigger handprints than foot prints’ has pioneered several initiatives and collaborations**
 - **Setup a Herbal Garden in the school premises and installed 4 rain water harvesting plants.**
 - **Compilation of ASN Botanica**, a chronicle to represent bio-diversity of our campus in creative and unique manner, documenting 111 plant types with their scientific, common name, description, uses and colourful illustrations.
 - **CSE Green School Programme** – Students conducts yearly audits on land, water, energy and waste
 - **E-waste collection drive in collaboration with Nokia Giz**
 - **ASNites participates in plethora of in house and interschool activities organized by Centre for Science and Environment (CSE), The Ministry of Environment & Forests (MoEF), IES and World wildlife Fund (WWF).**
 - **ASN has taken up a role of mentor school as a part of Climate EduXchange Phase 7 sponsored by The Energy and Resources Institute (TERI).**
 - **Collaboration with CMS Vatavaran** for showcasing award winning movies on environment and wildlife for the students.

“HYGIENE, HEALTH AND CLEANLINESS – A TRIPARTITE PACT FOR STUDENT WELLBEING”

The quote “Healthy mind in a Healthy body” finds its new addendum of “clean and green environment” at ASN School. Health and hygiene are the prime factors contributing to the wellbeing of a nation. ASN treats these subjects with utmost care and seriousness irrespective of the levels. The school culture, practices, initiatives and collaborations encompasses various multidimensional activities and projects which are conducted through Life Skill, Health and Wellness, Community Service and Eco Clubs to achieve the health, hygiene, and wellbeing of the student.
