

ASN Senior Secondary School

MAYUR VIHAR-I

Dear Parents

Summer Holidays are here again! A great time to enjoy, explore, bond and to engage in various creative pursuits to keep up the spirit of inquisitiveness and creativity alive.

We at ASN believe in tapping the inherent talents of our young energetic learners so that they bloom into enlightened citizens. Keeping this in view the theme of this year's Summer Vacation Project is

The Rich Heritage – The Foot Prints From The Past.

*India is a country with extraordinary characteristics and diversity in terms of its geographical, linguistic, religious, social-cultural features. But still, you can find a thread of unity among Indians. So, to appreciate and imbibe the aesthetic values of the rich heritage of our country, the students have been given to work upon one of the rich **Indian State**. Also the school endeavours to enrich and equip the students to be the Global Citizens for which they need to explore **The World Heritage Sites** selected by **UNESCO**. All these remarkable accomplishments of humanity must be preserved and cherished for the generations to come. The School has been declared the 1st SDG Lab of India by United Nations Information Centre for India & Bhutan. So, we at ASN make a conscious effort to make each and every ASNite environmentally aware and socially responsible to promote environmental sustainability. The Holiday Homework has been very diligently designed to keep the children engaged constructively thereby instilling self learning and time planning.*

So, let us encourage our students who are bubbling with energy to gear up, explore, enjoy and pledge to protect our planet –Mother Earth.
