*India is a country with extraordinary characteristics and diversity in terms of its geographical, linguistic, religious, social-cultural features. But still, you can find a thread of unity among Indians. So, to appreciate and imbibe the aesthetic values of the rich heritage of our country, the students have been given to work upon one of the rich **Indian State**. Also the school endeavours to enrich and equip the students to be the Global Citizens for which they need to explore **The World Heritage Sites** selected by **UNESCO**. All these remarkable accomplishments of humanity must be preserved and cherished for the generations to come.
