Activities

Drop Everything and Read (DEAR) Activity

The Drop Everything and Read (DEAR) activity was conducted across all classes in our school as a part of our ongoing efforts to promote reading habits among students. The aim was to encourage students to cultivate a love for reading and to dedicate a specific time during the school day to engage in independent reading. The primary objective of this activity was to foster a reading culture among students by providing them with dedicated time for recreational reading during school hours. The DEAR activity was implemented during a predetermined time slot in each class. Students were instructed to drop whatever they were doing at the designated time and immerse themselves in reading for a specified duration. Teachers facilitated the activity by ensuring that students had access to a variety of reading materials, including books, magazines, and newspapers.

VIRASAT SE VIKAS TAK

The school exhibition "VIRASAT SE VIKAS TAK", held on 20th July, was a resounding success. The event showcased the creative and innovative work of our students, highlighting their mental labor in 'holiday-homework projects' and physical alertness through 'the wonders of millets'. The Student-led presentations, demonstrations, Live stalls and displays were the spotlights of the whole event. The whole function encouraged students' creativity and innovation. It also fostered a sense of pride and ownership among students. Besides, it promoted awareness amongst everyone about the importance of healthy living. Overall, it was a celebration of our students' talents and creativity, showcasing their potential and enthusiasm. We are proud of our young achievers and grateful for the support of everyone to make this event a success.
