Welcoming Winters

Snapshots of the classroom

Message from the Incharge

Dear Parents

Greetings!

After days of silent hallways and empty classrooms, it was a delight to welcome all our students back into the building. The extensive preparation and planning put into making school re-entry safe and welcoming is a testament to the care and commitment of ASN staff. Our aim for the first day back was to normalize the school day, have students reacclimatise to the building, and reengage positive connections with other students and staff, all of which are essential for successful learning and growth moving forwards. This seems to have been a success, despite the masks, cohorts, handwashing, directional flow in corridors and physical distancing. It really was quite wonderful to see shining eyes peeking over the tops of masks, as students arrived ready for the school. Thank you to all parents and guardians for helping to prepare your children for the school, as this had a huge impact on helping to make our days successful.

We look forward to the months to follow and learn more about everyone on our kindergarten journey together! We have a very exciting calendar schedule ahead of us, filled with fun events and activities. We are trying to encourage independence and develop self-help skills. Children can learn so much from doing things themselves. When children practice self-help skills, they practice their gross and fine motor skills, gain confidence in their ability to try new things and build their self-esteem and pride in their independence. The skills needed to succeed in a modern, dynamic economy and society go beyond knowledge and cognitive ability. They require mental flexibility, creativity, the ability to influence and to work collectively with others, and the resilience to cope with change and setbacks. Thus, the link between social-emotional skills and future success and well-being will likely strengthen over the coming decades. We are thus well advised to pay attention to children and young people's social-emotional development, from the early years onwards.

Looking ahead for more fun filled days!

Sarika Srivastava

Incharge – Pre-primary Wing

NEW JOYS NEW BEGINNINGS !

ONCE AGAIN, THE SCHOOL CAMPUS ECHOED WITH

GIGGLES, LAUGHTER, GRINS AND CHUCKLES.

The children were welcomed by the school staff wholeheartedly and all the precautions were taken to ensure their safety. Students enjoyed learning with the help of different fun filled activities. They enjoyed swings, puzzles, blocks and meeting their friends.

Events & CELEBRATION

SPECIAL ASSEMBLY – 'SAT NO TO CRACKERS'-

Diwali symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance".

Our little ones celebrated Diwali with a pledge to 'SAY NO TO CRACKERS'. They beautifully expressed their views on celebrating ecofriendly Diwali by speaking slogans and showing the related posters to it.

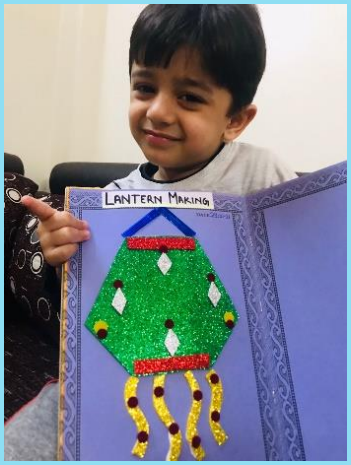

Lantern Making

Continuing with the spirit of the festival our little ones made beautiful lanterns in their scrapbook.

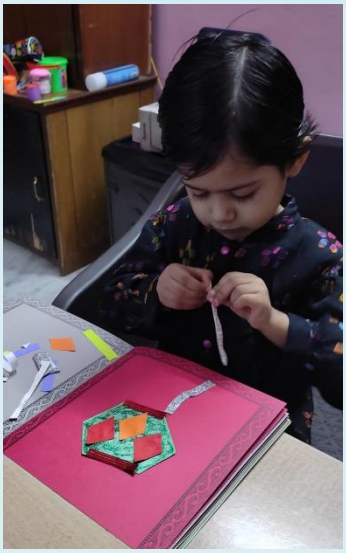

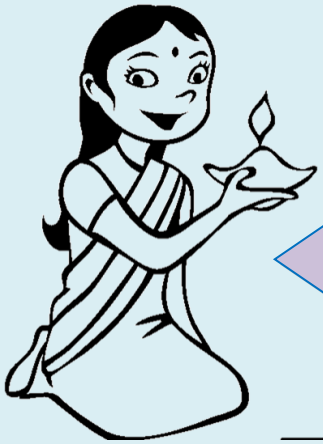

DRAWING

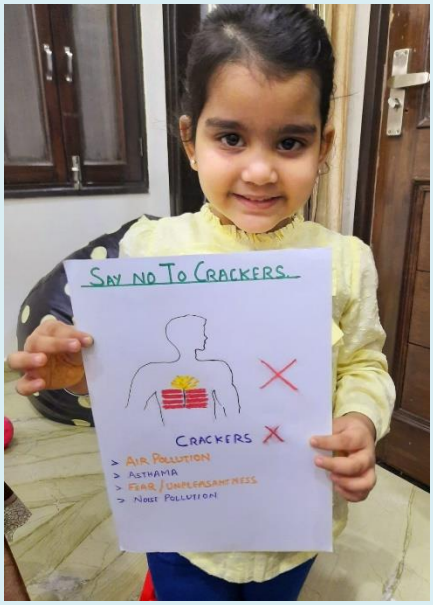

Students made beautiful drawings related to Diwali festival.

Clay Craft

The tiny tots used their creativity to make beautiful oil lamps and Lord Ganesha using clay.

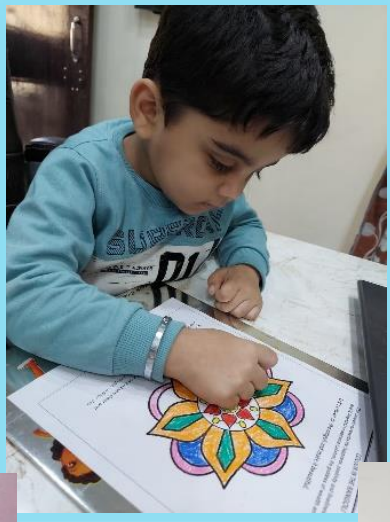

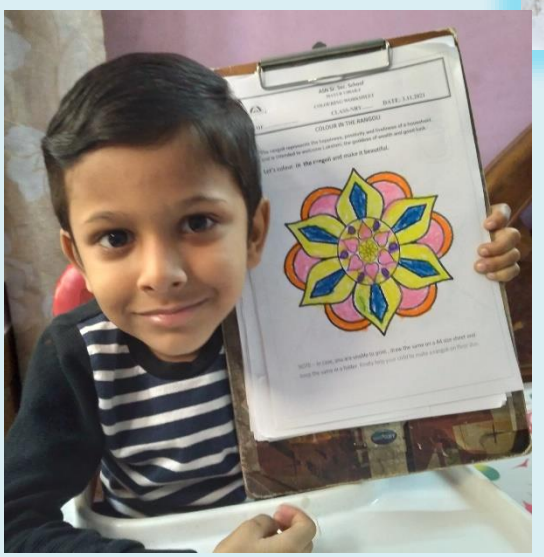

Rangoli

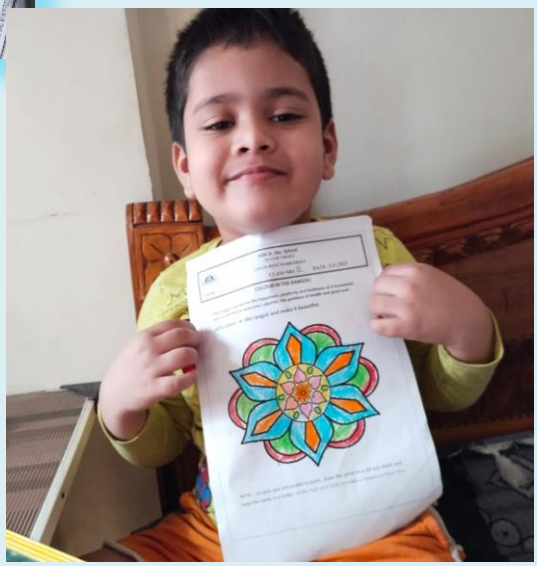

Students showed their colouring talent by using many colours to make a beautiful rangoli.

Children's day Celebration

'The real essence of children's day is to understand the importance of childhood in our lives. The principles and disciplines learned as a child are responsible for what he or she becomes in the future, thus childhood should be celebrated'. We at ASN left no stones unturned to make our little ones feel special. Students had great fun playing games, collecting gifts from Pinata box, watching movies, and dancing. They were thrilled to receive smileys and balloons.

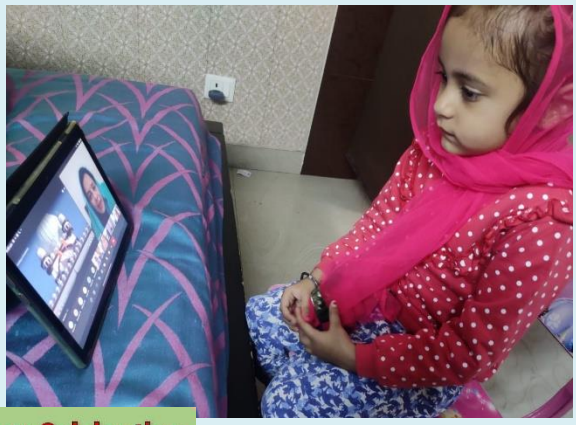

Gurpurab

Virtual tour to Gurudwara-

The main aim of celebrating festivals in class is to make the children connected to their motherland and celebrate the core essence of their country 'unity in diversity' and develop religious values in our kids. Students were taken on virtual visit to Gurudwara and explained about the importance of the festival.

THE ART CONNECT

THE WATER WORLD

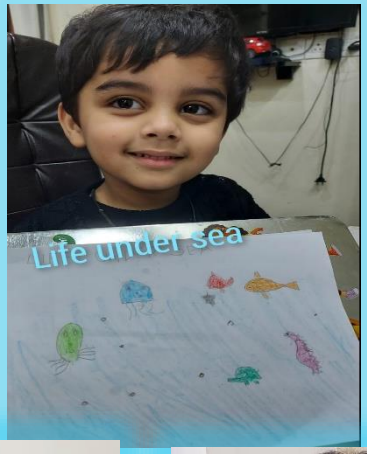

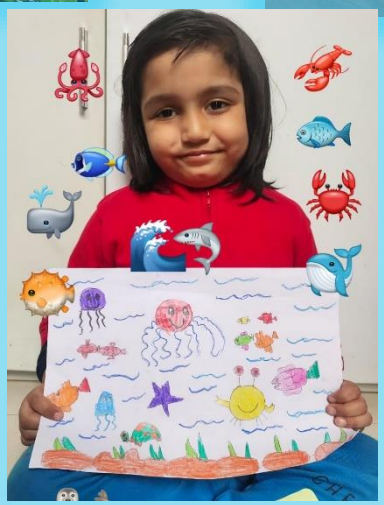

Life Under the Sea

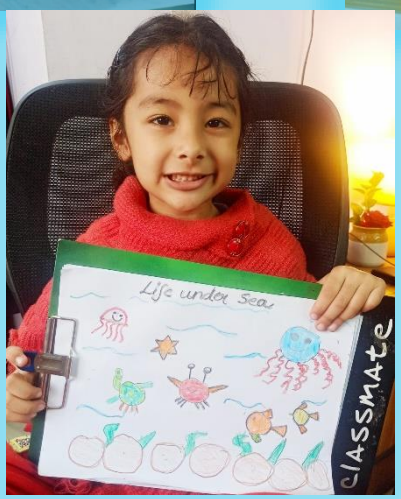

The little ones showed their creativity by drawing beautiful 'life under sea' scene.

WELCOMING WINTERS

Winter season was introduced in the class with help of scavenger hunt game, in which students found things related to winter season and shared in the class. They made different things related to the season on slates and with clay.

SNAPSHOTS

OF THE CLASSROOM

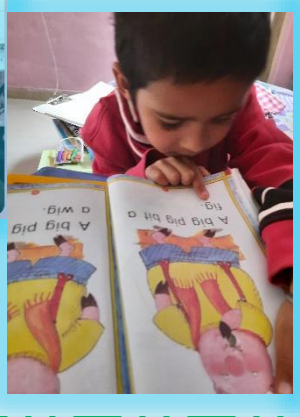

English

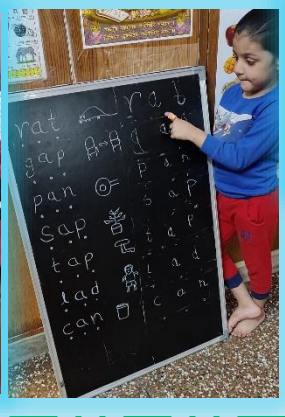

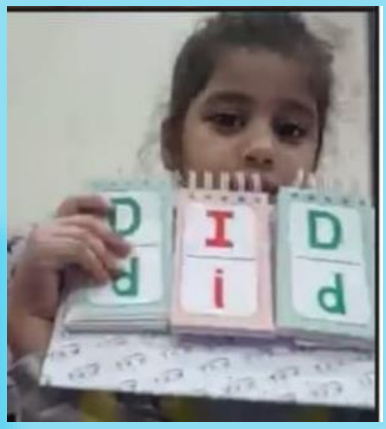

INTRODUCTION AND RECAP OF LETTERS

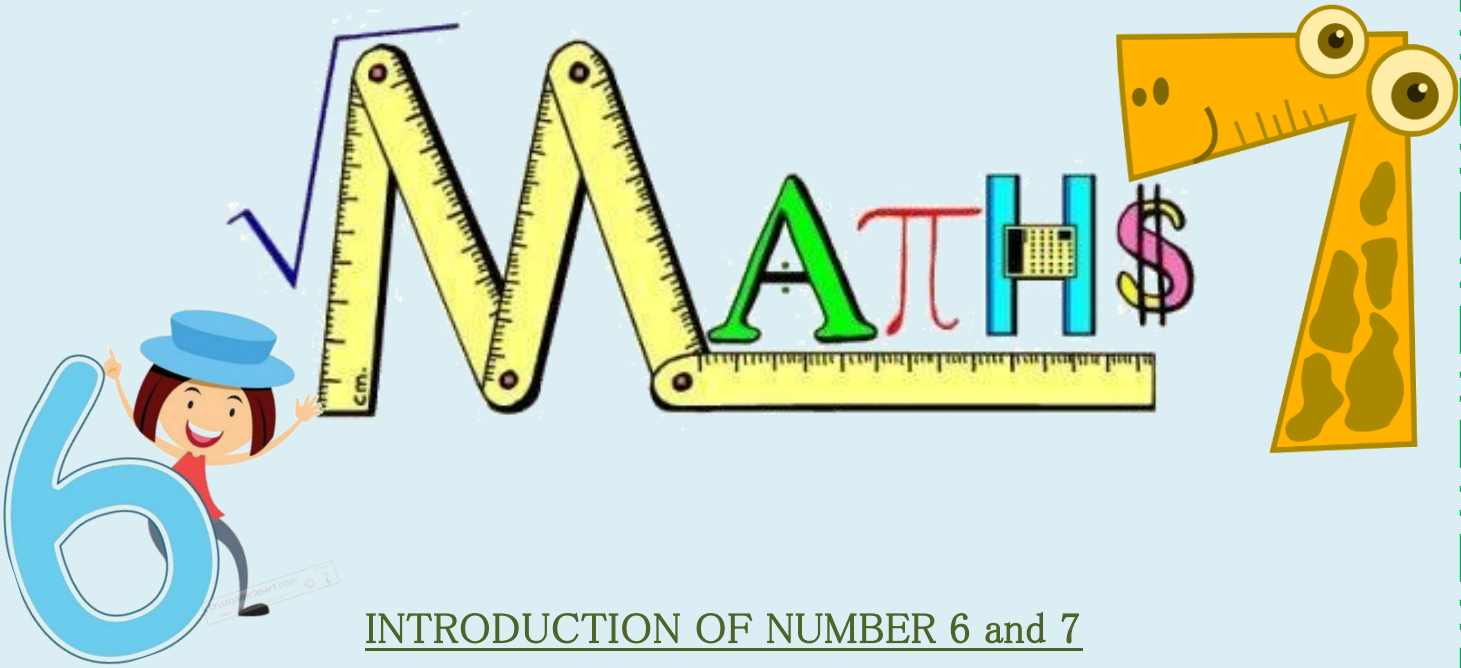

Students enjoyed learning letter sounds with the help of magic bag, sound stories, jingles, PPT, art and craft activities, semolina tracing, simple drawings and many other fun-loving activities. Recap of letters was done with help of educational games like bingo, word builder and I spy with my little eyes. Blending of CVC words was done with help of ice cream sticks/word builder.

INTRODUCTION OF NUMBER 6 and 7

Number six and seven were introduced with the help of amazing facts and number and quantity association games. They even counted on number frame with ease. Students enjoyed the pegging activity related to numbers.

Experiential Learning

INTRODUCTION OF PRE-NUMBER CONCEPTS

LONG /SHORT and ABOVE AND BELOW

It has been said that we learn the best with our experiences. Our little ones were able to 'learn by doing' by placing toys above and below and finding different long and short things.

PARENT

Tips & Tricks

9 Things You Should Say To Your Kids Every Day

LOVE

1. "I love you." Say it to them as often as you like. <3

2. "I like it when you..." Talk about positive aspects of their behavior.

3. "You make me happy." This makes them feel valuable.

4. "I'm proud of you." They need to hear their doing a good job, even when it's hard.

5. "You are special." Let them know their uniqueness is a strength.

6. "I trust you." Building a foundation of trust raises an honest person.

7. "I believe in you." Teach them how valuable they are.

8. "I know you can do this!" Encourage them to never give up.

9. "I am grateful for you." Be specific, this can really make their day!
