Dear Parent

It gives us great pleasure to extend the invitation to our students of classes I - XII to participate in 4th **BRICSMATH.COM+**, an **International Online Competition in Mathematics** in which students of 7 countries will be participating-Brazil, Russia, India, China, South Africa, Indonesia and Vietnam.

The competition is free of cost and will be held online upto 20th December 2020. It has recognition and support of **Ministry of Human Resource Development, CBSE India** and Ministries of other participating countries.

Interested students may register and compete on the website
