

Circular No. ASN/P/2020/25

Date: 28.12.2020

Dear Parent

Swachh Samaj Ki Swasth Betiyan
Sanitary Pad Donation Drive

“We can’t help everyone, but everyone can help someone.”

Greetings!!

A good deed is always cherished and nourished by everyone. With the same belief, ASN in collaboration with “**Swarnimasha Foundation**”, an NGO of prime presence and value to the society, has launched a Sanitary Pad Donation Drive as part of the “**Swachh Samaj Ki Swasth Betiyan**” Campaign. The campaign will run till **31st December 2020**.

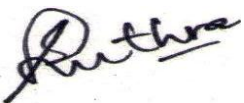

The campaign is a charity project to collect sanitary pads and to donate them to selected orphanages and homes for underprivileged girls and women.

We appeal to all privileged members of the society to contribute to this charity drive by donating home made / commercially made biodegradable environment friendly sanitary pads.

Where to donate: **Cartons are put up at school Gate No. 1**

When: **Till 31st December 2020, Thursday by 5:00 pm**

Let us set an example for our future generations by joining hands to reach out to the less fortunate ones and make a difference in the society in our own little ways!!

Swarnima Luthra
