Fee Reminder /Notice

Dear Parent

This is in continuation with the fee reminders sent to you on 01st May 2021, 13th May 2021, 29th May 2021, 15th June 2021, 20th July 2021, 24th August 2021, 24th September 2021, 22nd October 2021, 22nd November 2021, 14th December 2021 and 22nd December 2021 and the monthly fee bill up to January 2022 which was due by 15th January 2022 and February 2022 fee bill is also due , which has to be paid by 10th February 2022.

We wish to bring it to your notice that a few parents have still not remitted school fee for their ward / wards for the months April – January 2022.

It may be kept in mind that teachers and staff salaries have to be paid every month and on time out of the collection of received school fees paid by the parent, the delay in remitting the school fees is causing financial hardship for school teachers and staff.

In view of the above it is to be noticed that parents must ensure prompt payment of pending school fees by 08/02/2022

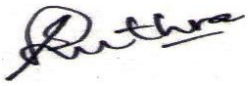

Please note that after 08/02/2022 the school will not be able to continue the online / in person classes of the students who have not deposited the school fee even till the month December, 2021. Consequently, the students will not be able to attend the online / in person classes. No further notice will be issued as the School has been sending the regular reminders.

Hence, it is requested that parents must clear the fee dues at the earliest with arrears (if any). Your clearance of dues and further timely payment of monthly school fee shall be appreciated.

Those parents having financial hardship may seek an appointment and meet the school officials with documentary support thereof.

Please ignore this notice if due fee has already been paid.

Wishing you all to stay safe and healthy!
