ASN Senior Secondary School
MAYUR VIHAR-I, Delhi

Circular No. ASNSR/2022/28. **Date : 27.04.2022**

Dear Students

"To forget how to dig the earth & tend the soil is to forget ourselves"- Mahatma Gandhi

We all are aware that Soil extinction is one of the greatest ecological threats that humanity faces today. Its time to take what's beneath our feet into our hands and save this most precious natural resource for our very existence.

We at ASN are proud to join hands with ISHA foundation in 'The Conscious Planet-Save Soil' movement which is a Global Movement to initiate a conscious approach to Save Soil.

Revered Sadhguru ji says and I quote, "We are on the cusp : If we take action now, we can reverse the soil condition in the next 15-20 years ; but if we wait for another 20 years to act, it will take 150 – 200 years to regenerate it."

So, students **let us join in this movement and champion this cause by writing a personal letter to the Hon'ble Prime Minister of India** to bring into force a **policy to revitalize soil and ecology**.

The letter could be a textual letter, a sketch, a poem or just the line – Save Our Soil. The letter has to be submitted to your class teacher latest by 02.05.2022 .

Looking forward to your whole hearted participation in this Global Movement.

Best Wishes!

Swarnima Luthra
Principal
