Dear Parents

It is the time of the year when children connect with the family in many ways. We wish that our children pursue indoor hobbies, eat right, connect with friends and relatives, go to their favourite summer spots virtually and indulge in their most loved activities. Promise to help our children in doing so. To fruitfully engage our children these days, we have prepared some interesting and engrossing activity sheets that will broaden their analytical horizon and pamper their creative skills. We do hope that our young children will enjoy the activities with their family.

Wishing you a very enjoyable and happy vacation!
